

Bare Foot Walker's Shoes

By Sharon MacDonald - Song from *Jingle in My Pocket* CD

I have shoes I use for hiking,

Flippers I wear to swim

And tennies that grip me tightly so I can climb the jungle gym.

I have ballet-dancing shoes,

Boots I wear to ride.

And shoes I use for skating, so I can roll and slide.

Page 2

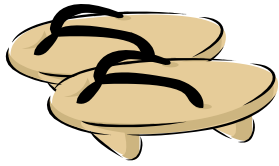

I have plastic boots for snow,

Floppy rubber ones for rain.

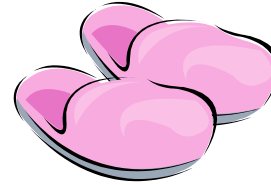

And sandals just for skipping
With my friends who skip the same!

Page 3

Beneath my bed are flippers,
Slippers, boots, and shoes.

Page 4

What do I like to wear? "Bare foot is what I choose!"
"What'll I do with my shoooooes?"

"Don't want to use my shoes!"
