

walk all of your fingers right across the page.  
Fingerprinting fingers is fun at any age.

Page 5

walk and hop, skip and jump when you fingerprint.  
The finger dots will tell you how far your fingers went,  
so...

Page 3

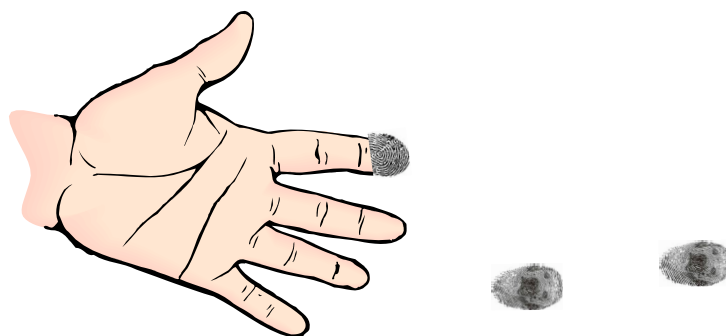

Fingers walk across the page each making a small print.  
The finger trails will tell you which way your fingers  
went.

page 1

Pick four of your fingers skip some fingerprints.  
Hopping, skipping finger trails will tell you where you went.

Page 4

Pick your very best fingers, hop some fingerprints.  
The finger spots will tell you which way your fingers went.
