

They have green  
leaves for hair  
And yellow seeds in  
the skin. 3

They look white  
and taste sour  
When they're not  
ready to eat. 2

Strawberries are  
red when they are  
ripe.  
They taste tangy  
and sweet. 1

Strawberries  
By Sharon MacDonald

The next time you  
go there  
See if you can find  
more. 8

The seeds protect  
the strawberry  
Skins that they're  
in. 4

You can eat them  
with ice cream—  
Eat them alone -

5

Or, put them on  
cake that you buy  
Or bake in the oven  
at home. 6

Deserts made with  
strawberries --  
You can see at the  
store -- 7
